AMEND Senate Bill No. 1690*

House Bill No. 2177

by adding the following new section immediately preceding the last section and by renumbering the subsequent section accordingly:

SECTION ____ Tennessee Code Annotated, Section 40-6-308(c), is amended by deleting the subsection and substituting instead the following:

(c) Whenever an order authorizing interception is entered pursuant to § 40-6-304(c), the order shall require that reports be made to the judge who issued the order showing what progress has been made toward achievement of the authorized objective and the need for continued interception. Reports shall be made at ten-day intervals, with the first report required on the tenth day after the interception begins or is extended. However, in cases where orders for multiple telephones have been issued by a single judge and pertain to the same investigation, the issuing judge may direct that all progress reports be consolidated into a single report and filed at such times as directed by the judge.
